Durham on the Rise

The fastest population growth in the GTA vs all other 905 regions since 2019.

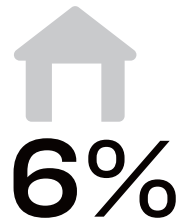

Durham is the fastest growing region in all of Ontario.

Pickering is a top condo rental appreciation market in the GTHA.

Price appreciation since 2020. Thanks to continued population growth!

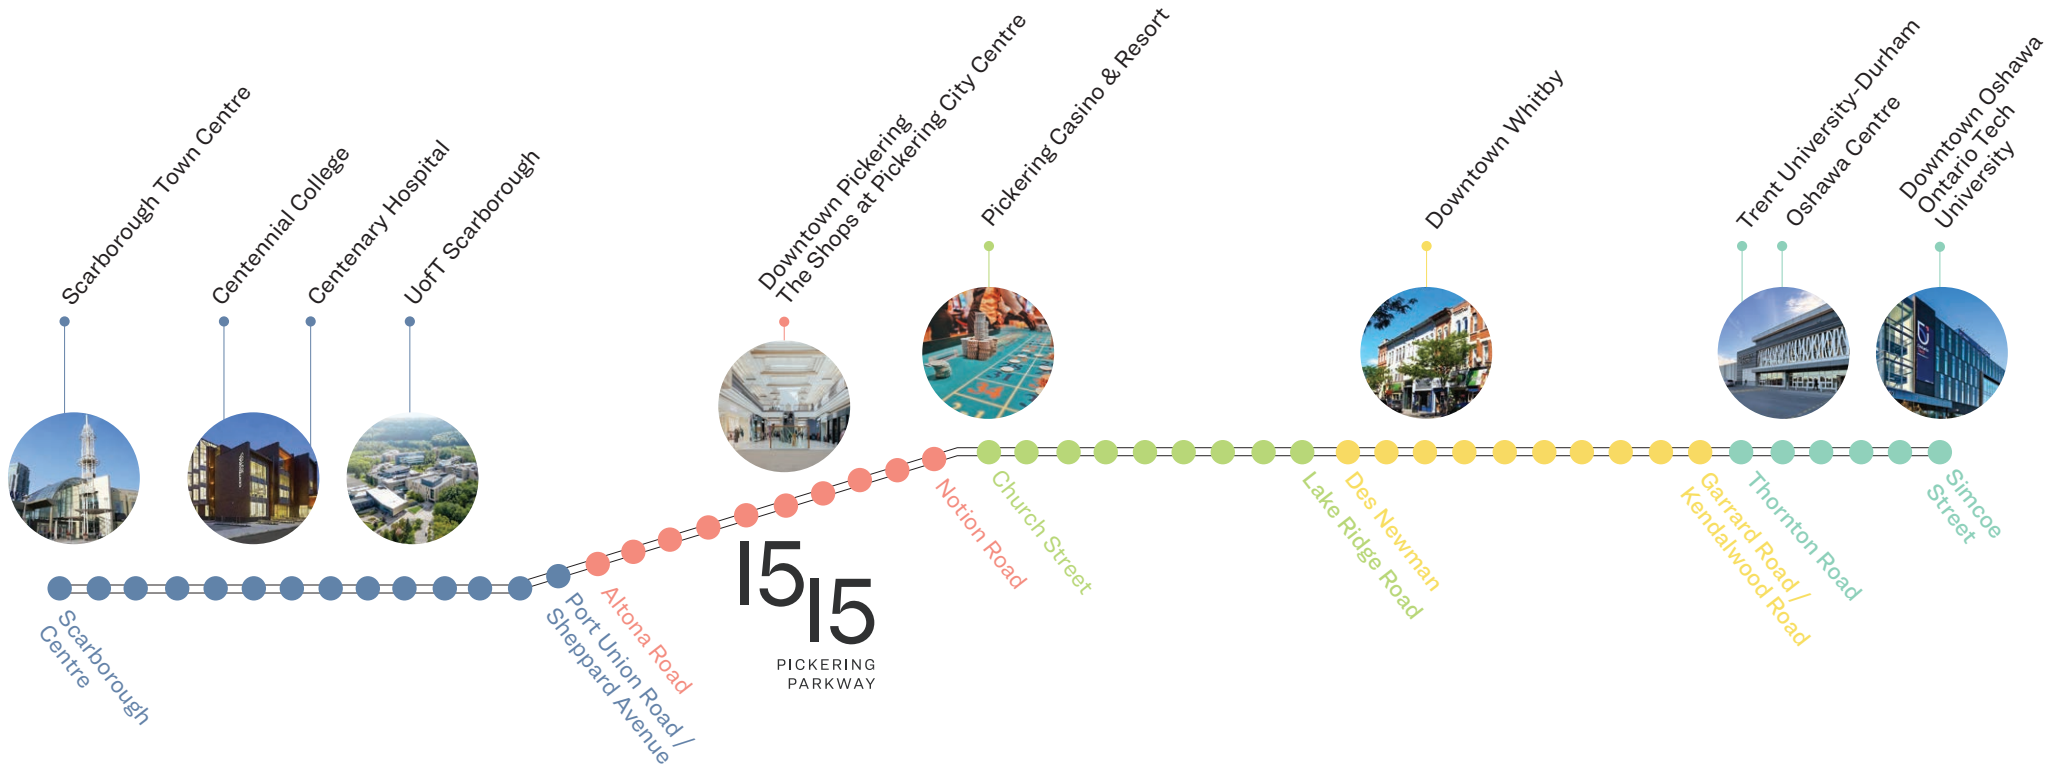

Average annual rent growth 2018-2023.

A modern, bright apartment lobby with a large, light-colored staircase and a reception desk. The walls are finished with vertical wood slats, and the floor is made of large, light-colored tiles. A woman is walking in the foreground, and another woman is sitting at the reception desk. The overall atmosphere is clean, contemporary, and professional.
